## Join the Community Conversation – Add Your Voice!

Dear Placentia Resident, we need your help. Placentia is a great place to live and raise a family, and we strive to keep your City safe, clean and well maintained, to protect Placentia’s quality of life and property values. While the current economic environment has begun to improve from the worst of the recession, depleted local revenues and historical State takeaways have left Placentia with a \$6.1 million dollar structural deficit. Despite these challenges, we have worked hard to balance this year’s budget and minimize cuts to essential City services.

To study our long-term financial condition, and recommend solutions, the City Council appointed a Citizens Fiscal Sustainability Task Force. The Task Force’s full report can be viewed at [www.placentia.org/taskforce](http://www.placentia.org/taskforce), and includes a unanimous recommendation to the City Council that the City engage the community on our needs and priorities.

Over the coming months, the City will be engaging residents in a community conversation about City services and priorities. The most important input comes from YOU! Please help us by visiting us online and filling out a Community Feedback Survey today. Visit [www.placentia.org/feedback](http://www.placentia.org/feedback) to add your voice to the community conversation.

We will continue to update and seek input from the community on these issues. Please don’t hesitate to contact me at (714) 993-8186 (or [administration@placentia.org](mailto:administration@placentia.org)) with any questions, or to schedule a community presentation. We look forward to your feedback in continuing to make Placentia a great place to live, work and play.

Sincerely,  
Damien Arrula  
Acting City Administrator

## National Night Out

This is a great family event with many hands on opportunities for the whole family.
