A TRANSFORMING OPPORTUNITY COMES TO PLACENTIA'S PACKING HOUSE DISTRICT

The City of Placentia has been given a unique opportunity with the state-of-the-art Metrolink Station (Station) and 253-space parking structure within the Old Town Placentia area. Operational by 2020, the proposed Station can help transform the Packing House District (near Melrose Street and Crowther Avenue) into an active, vibrant destination. Transit-oriented development, or TOD, is a type of community development that includes a mixture of housing, office, retail and/or other amenities integrated into a walkable neighborhood and located within a half-mile of a public transportation stop. To help this transformation, the City of Placentia has proposed an amendment to the Zoning Code with specific standards to allow a mixed use, pedestrian, oriented retail and residential district, creating new development opportunities for a one-of-a-kind destination. It will also support existing retail and restaurant businesses while growing the City's local economy. The TOD District is scheduled for City Council adoption in April, 2017. For additional information about this area, please visit www.placentia.org/tod.

PLACENTIA'S METROLINK STATION AND PARKING STRUCTURE

At the June 27, 2016 Orange County Transportation Authority (OCTA) Board of Directors Meeting, the Board Members approved the funding and cooperative agreement for the construction of the newest Metrolink Station in Orange County and a new parking structure. Mayor Craig Green, Mayor Pro Tem Wanke and former Councilmember Scott Nelson along with City Administrator Damien R. Arrula and other City staff were present at the Board meeting along with several representatives from the Placentia Chamber of Commerce, Placita Santa Fe Merchant's Association, and Cal State Fullerton's Transportation Department.

"The City has been working with OCTA on the construction of a Metrolink Station and parking structure to serve the City and surrounding area for several years now," said City Administrator Damien R. Arrula. "We are particularly thankful to CEO Darrell Johnson and his OCTA team for their partnership and support in developing a cohesive plan to bring this project to fruition. We are excited for the prospect of having the station serve as the catalyst for making Old Town Placentia a destination while serving regional transportation needs in the North Orange County area" said City Administrator Arrula.

The Cooperative Agreement was presented at the July 12, 2016 Placentia City Council meeting for final approval. The Agreement was unanimously approved by the City Council.

Once constructed, this will be the 13th station serving the 91 Line which runs from Union Station in Downtown Los Angeles to Downtown Riverside. The Placentia Metrolink Station will be the closest station in proximity to Cal State Fullerton and will provide passengers with an alternative to the Fullerton Metrolink Station.

The total cost of the project is \$35 million, of which the City will contribute \$5.4 million. The following is the tentative project delivery schedule:

Among older adults in the United States, falls are a leading cause of fatal and nonfatal injuries. Even if older adults have not fallen, the fear of falling can keep them from being active. Falling is not an inevitable consequence of aging. Exercise, especially programs designed to reduce falls, is just what the older adult needs.

Tai Chi is a set of exercises that are performed in a slow, controlled manner with a deep inner awareness of using the body in a holistic way and applying controlled breathing as its “tempo”. It demands continuous movement as it requires a constant shifting of weight, which improves both stability and mobility. It also incorporates both asymmetrical and diagonal arm-leg movements and promotes arm swing and rotation at the waist. This low-impact exercise puts minimal stress on joints, making it a low-risk, appropriate exercise for seniors. Tai Chi for Health is offered on Monday mornings starting on April 10. See page 14 for more details.

POSITIVE ACTIVITIES AND RECREATION FOR KIDS

The City of Placentia Community Services Department offers FREE recreation programs for youth at four locations. There is no charge for the basic program; however, a fee may be charged for excursions and special events. Children attending the program are supervised by Community Services Leaders trained in first aid and CPR. P.A.R.K.'s activities include sports, games, arts and crafts and special events.

The City of Placentia partners with the Friendly Center to provide additional academic resources and support for P.A.R.K.'s programs that may include tutoring and help with homework.

Center hours subject to change based on PYLUSD school schedule.

All sites will be closed April 10, 2017 – April 14, 2017
