## AGENDA STAFF REPORT

TO: STREETScape AND TRANSPORTATION ADVISORY COMMISSION  
FROM: KYRA TAO, TRANSPORTATION MANAGER  
DATE: OCTOBER 21, 2024  
SUBJECT: YORBA LINDA-PLACENTIA DRAFT ACTIVE TRANSPORTATION PLAN

### **RECOMMENDATION:**

It is recommended that the Streetscape and Transportation Advisory Commission take the following actions:

1. Receive oral presentation; and
2. Provide comments and input to Staff

### **BACKGROUND:**

The City of Yorba Linda as lead agency, in conjunction with the City of Placentia (Placentia) and the Placentia-Yorba Linda Unified School District (PYLUSD) collaborated to develop a project that is eligible for the Caltrans Sustainable Transportation Planning Grants (STPG). The multi-agency group developed a proposal for a comprehensive Active Transportation Plan (ATP) that incorporates identified bicycle and pedestrian improvements, Safe Routes to School (SRTS) and multi-use trail plans. The Multi-Agency ATP Project was selected to receive the Caltrans STPG funds in April of 2021. Subsequently, on June 20, 2023, the City Council of Yorba Linda awarded a professional service agreement to Alta Planning + Design, Inc., for the design of the Yorba Linda – Placentia Multi-Agency Active Transportation Plan Project. The budget for the project is \$406,427, of which a total of \$359,809 is funded by Caltrans. There is a project funding match for a total of \$46,618. Placentia agrees to provide 50% of the local matching funds in an amount of \$23,309.

### **DISCUSSION:**

The Yorba Linda-Placentia Active Transportation Plan (ATP) is a collaborative effort between the City of Yorba Linda, the City of Placentia, and the Placentia-Yorba Linda Unified School District to create a community-supported, implementable plan that enhances safety and connectivity within both cities. The plan was made possible by a grant awarded to both cities from Caltrans. The plan reflects each city's unique challenges and opportunities and addresses active transportation mobility gaps that negatively impact community access to schools, parks, hospitals, retail centers, and regional and local transit options. Additionally, the plan analyzes

existing conditions in both Placentia and Yorba Linda that present community-wide challenges and builds upon previous planning efforts to address them. Public input will be used to better understand existing and future transportation network needs, and active transportation improvements will be recommended to promote healthier and more vibrant communities. In addition to bicycle and pedestrian recommendations in priority areas, the plan also evaluates all public schools in Placentia and Yorba Linda and recommends infrastructure and programming to improve Safe Routes to School. Recommended improvements are prioritized to enable swift implementation to achieve citywide connectivity with pedestrian and bicycle facilities.

In addition to the Streetscape and Transportation Advisory Commission review and comments next steps included the following meetings all open to the public:

October 22, 2024 – Virtual Community Meeting

6:00 p.m. – 7:30 p.m.

January 7, 2025 – City Council Meeting for Approval

The public comment period continues through November 4, 2024 leading up to the City Council Meeting scheduled for January 2025. Commissioners and the public are encouraged to also visit the Yorba Linda-Placentia Draft Active Transportation Plan website at <https://virtualeventroom.com/yorba-linda-placentia-atp/>. There is a Virtual Meeting Room to review the Draft ATP and Master Plan of Trails documents. Formal comments can be submitted through the comment box in the middle of the “virtual” room.
