Application to obtain parking permits

Address

With the implementation of the new parking permit program, new parking decals as well as guest permits will be issued to residents who wish to purchase them. Up to five (5) regular parking decals and five (5) guest permits can be purchased for \$10 a piece. The parking decals are to be affixed to the lower left corner of the rear window of your vehicle. If your vehicle does not have a rear window, the decal is to go on the left side of the rear bumper. Guest permits are not to be used for vehicles registered at the residence. If additional guest permits are needed, 24 hour temporary permits can be purchased for \$1 a piece. If a decal or permit is not displayed or displayed incorrectly, a parking citation may be issued to the vehicle. The parking decals and guest permits are only valid until December 31<sup>st</sup> of each year.

Only list vehicles that will be assigned a parking decal.
