Renters application to obtain parking permits

Address

With the implementation of the new parking permit program, new parking decals as well as guest permits will be issued to residents who wish to purchase them. Up to five (5) regular parking decals and five (5) guest permits can be purchased for \$10 a piece. The parking decals are to be affixed to the lower left corner of the rear window of your vehicle. If your vehicle is a convertible or does not have a rear window, the decal is to be affixed to the left rear bumper of the vehicle. Guest permits are not to be used for vehicles registered at the residence. If additional guest permits are needed, 24 hour temporary permits can be purchased for \$1 a piece. If a decal or permit is not displayed or displayed incorrectly, a parking citation may be issued to the vehicle.

Parking decals will only be issued to vehicles registered at the residence. Include Registered Owner's name, signature, home and cell phone numbers for each vehicle. Only list vehicles that will be assigned a parking decal.
