

NOTICE OF AVAILABILITY OF DRAFT ENVIRONMENTAL IMPACT REPORT

Pursuant to Title 14 of the California Code of Regulations, Chapter 3, Section 15087, this notice is to advise that the City of Placentia, as lead agency, has completed and is issuing notification of the availability of a Draft Environmental Impact Report (EIR), State Clearinghouse No. 2017111041, for the project as described below.

Project Title: Rich Heritage, Bright Future: Placentia General Plan (General Plan Update) Draft Environmental Impact Report EIR (State Clearinghouse Number #2018101031)

Project Description: The citizens of Placentia aspire to maintain a beautiful, safe, and balanced community that provides a variety of community and cultural activities. Placentia will be a place where the local economy provides the needs of the community and also attracts people from surrounding communities. People of all ages and with a variety of ethnic backgrounds will be proud to live and work in Placentia. As a balanced community, Placentia will provide for the diverse educational, housing, social, recreational and safety needs of its residents. Through the establishment of quality services, grounded in shared community values, Placentia will remain a pleasant and safe place.” The proposed General Plan is a comprehensive update of the previous General Plan and its elements. The General Plan expresses the relationship between community values and vision with how the City proposed to utilize public land, private land and other community resources. It serves as a long-term document that provides guidance for future programs, projects, and policy.

Project Location-City: City of Placentia
