

City of Placentia

401 East Chapman Avenue
Placentia, CA 92870

City Clerk's Office – (714) 993-8231

NOTICE OF PUBLIC HEARING

NOTICE IS HEREBY GIVEN that the Public Financing Authority of the Placentia Enhanced Infrastructure Financing District will hold a public hearing in the Council Chambers of the Placentia City Hall, 401 East Chapman Avenue, at 5:00 p.m., Wednesday, October 14, 2020 to consider the following item:

PUBLIC HEARING TO HEAR ALL WRITTEN AND ORAL COMMENTS ON THE INFRASTRUCTURE FINANCING PLAN (IFP)

The City of Placentia has initiated the formation of an Enhanced Infrastructure Financing District (EIFD) near the City's future Metrolink Station including the Old Town Placentia area and Transit Oriented Development Packing House District. The purpose of this district is to finance the construction, and/or acquisition, and/or maintenance of public facilities of communitywide significance. These infrastructure improvements include street improvements, landscape and lighting upgrades, improvements to bicycle and pedestrian connectivity, sidewalks, signage, beautification, public safety access, parking, roadway, circulation, open space, water, sewer and other utility capacity improvements, with emphasis on implementation of the Old Town Placentia Revitalization Streetscape Master Plan.

Proposed financial arrangements include the commitment by both the City and County of Orange a portion of their respective shares of future incremental property tax revenues generated within the EIFD (no new taxes for property owners, residents, or businesses). The boundaries of the proposed EIFD surround the City's future Metrolink Station including the Old Town Placentia area and Transit Oriented Development Packing House District, encompassing approximately 306 acres. A map of the district boundaries and additional information on the EIFD, including the draft IFP, are available on the City's website at www.placentia.org/EIFD and are on file in the office of the City Clerk located at 401 East Chapman Avenue, Placentia, California.

This project is exempt from environmental review per Sections 15378(b)(4) and 15061(b)(3) of the California Environmental Quality Act. No further environmental review is required at this time. Any persons having any comments or objections to the proposed IFP, or the regularity of any of the prior proceedings, may appear at the time and place indicated to provide written or oral comments or objections to the adoption of the proposed plan. Comments may additionally be directed to: Economic Development Division, 401 E. Chapman Avenue, Placentia CA 92870, Attn: Jeannette Ortega, Assistant to the City Administrator.

All maps and information pertinent to the above item are on file in the office of the City Clerk located at 401 East Chapman Avenue, Placentia, California. Any person interested in the above proceedings may appear at the time and place indicated to testify in support of, or in objection to the adoption of the proposed plan.

Rosanna Ramirez
Acting Deputy City Administrator
