The APR must still be submitted to OPR. Their email address is opr.apr@opr.ca.gov.*

2. **Email** - If you prefer to submit via email, you can complete the excel Annual Progress Report forms and submit to HCD at APR@hcd.ca.gov and to OPR at opr.apr@opr.ca.gov. Please send the Excel workbook, not a scanned or PDF copy of the tables.

Table D			
Program Implementation Status pursuant to GC Section 65583			
Housing Programs Progress Report			
Describe progress of all programs including local efforts to remove governmental constraints to the maintenance, improvement, and development of housing as identified in the housing element.			
1	2	3	4
Name of Program	Objective	Timeframe in H.E	Status of Program Implementation
HE-1.1: Manufactured Housing	Use of Manufactured Housing	1-Jun-10	Completed. Staff reviewed the use of manufactured housing and is encouraging manufactured housing use through contacting distributors for information.
HE-1.2: Locate Housing Near Transportation, Employment and Services	Proximity to transportation employment and services	Ongoing	Ongoing. This remains a high priority of the City as the construction of the Placentia Metrolink Station is scheduled to start late 2019. The City Council approved and adopted the Transit Oriented Development (TOD) Packing House District near the future Metrolink Station on April 18, 2017 which allows densities up to 95 du/acre. To date, 633 units have been entitled in the TOD District. On July 18, 2017, the Old Town Zoning District was adopted (Ordinance No. O-2017-05) by City Council and the Development Standards include a sub-area allowing high density housing by right without a public hearing, at a density up to 65 dwelling units per acre. Both the TOD and Old Town Zoning Districts are immediately adjacent to the Placentia Metrolink Station.
HE-1.3: Pursue County, State and Federal Funds	Increase use of County, State and Federal funds	Ongoing	Ongoing. The City is continually reviewing grant funding opportunities for housing developments and is actively pursuing County and State funds, including transportation circulation grants provided by the State Department of Transportation and SCAG. In partnership with SCAG, the City Council recently approved formation of an EIFD in the Old Town Zoning District that will result in \$8.2 million in funding for infrastructure related to transit oriented development.
HE-1.4: Emergency Shelters and Transitional and Supportive Housing	Zoning for Emergency Shelters, transitional and supportive housing	1-Dec-09	Completed. On May 7, 2016 the City Council approved Ordinance No. O-2013-08 to amend Title 23 (Zoning Ordinance) of the Placentia Municipal Code Pertaining to Emergency Shelters, Supportive and Transitional Housing Facilities, Single Room Occupancies and Provisions for Reasonable Accommodations for Persons with Disabilities, including Standards and Procedures Therefore.
HE-1.5: Infrastructure Program	Reduce constraints associated with infrastructure	Ongoing	Ongoing. The City annually reviews development costs and opportunities for removing constraints due to the high cost of infrastructure improvements. The City is near built-out with infrastructure mostly in place. Infrastructure near proposed Metrolink Station is a strong candidate for competitive grant funding. The City is continually reviewing grant funding opportunities for housing developments and is actively pursuing County and State funds, including transportation circulation grants provided by the State Department of Transportation and SCAG. In partnership with SCAG, the City Council recently approved formation of an EIFD in the Old Town Zoning District that will result in \$8.2 million in funding for infrastructure related to transit oriented development.
HE-1.6: Development Processing System Review	Minimize development review/processing time	Ongoing	Completed/Ongoing. The City annually reviews its development processing procedures and has adopted several streamlined procedures in the last three years. Ordinance No. O-2017-05 adopted by City Council in July 2017 codifies Old Town Development Standards including a sub-area allowing high density housing by right without a public hearing, reducing development processing timeframes, allowing housing at a density up to 65 dwelling units per acre.
HE-1.7: Vacant and Underutilized Land Inventory	Inventory of vacant and underutilized land	Annual	Ongoing. The City provides the inventory of vacant and underutilized land upon request and routinely discusses these parcels with developers. In FY 17-18, the City has budgeted consulting services with an private economic development firm to assist with identifying up-to-date inventory of vacant and underutilized land. The City is in the process of selling these vacant lands to qualified developers.
HE-1.8: Adequate Sites for Housing Development	Rezone a minimum of 1.27 acres to permit residential development at a minimum density of 30 du/ac	1-Dec-09	Completed. Ordinance No. O-2017-05 adopted by the City Council in July 2017 codifies the Old Town District Development Standards which includes a sub-area allowing high density residential housing by right without a discretionary review nor public hearing, at a density up to 65 dwelling units per acre for an area exceeding 1.27 acres. The maximum density for this sub-area is up to 65 dwelling units/acre.
HE-1.9: Monitoring of Constructed Units Based on Income Level	Tracking performance by income level	Ongoing	Ongoing. Forms have been developed to gain the information at the time a building permit is issued.
HE-1.10: Encourage Development of Housing for Extremely Low-Income Households	11 Extremely low income units by 2014	1-Jun-10	Completed. The issuance of permits for 49 very low income units in 2018 (the Veteran's Village development) contributes to achieving this goal. The City is reviewing other incentive programs to implement. The City has increased its contacts with non-profit developers regarding affordable housing opportunities. The elimination of redevelopment set aside funds severely restricts this effort.
HE-1.11: Amend the Density Bonus Ordinance	Review and Revise Density Bonus Ordinance	1-Dec-09	Completed. The City's density bonus ordinance was reviewed and the City will follow changes in State law relating to such bonuses.
HE-1.12: Development of Senior Housing	Senior Housing Development	Ongoing	Ongoing. The City provides incentives and density bonuses for senior housing development.
HE-1.13: Development of Housing for Larger Families	Housing Units with larger bedroom counts	1-Jun-10	Ongoing. The City has not implemented an incentive program. The City has increased its contacts with non-profit developers regarding affordable housing opportunities.
HE-1.14: Housing for Persons with Special Needs	Housing Units for households with special needs	1-Jun-10	Completed/Ongoing. The City has not implemented an incentive program at this time, however the issuance of permits for 49 very low income units in 2018 (the Veteran's Village development) contributes to this as qualified residents must be Veterans who are homeless or at risk of homelessness and the development will provide "wrap around" services to provide vocational training, mental health services, job placement, and more. The City has also identified potential parcels for additional special needs housing.
HE-1.15: Redevelopment Agency Housing Set-Aside Fund	20% of tax increment for Housing Set-Aside	Eliminated	Eliminated by the Governor and State Legislature. The elimination of redevelopment funds severely restricts our ability to create affordable housing.
HE-1.16: Transit-Oriented Development	Encourage Transit-Oriented Development	1-Dec-09	Completed and ongoing. The City Council approved and adopted the Transit Oriented Development (TOD) Packing House District near the future Metrolink Station on April 18, 2017 which allows densities up to 95 du/acre. To date, 633 units have been entitled in the TOD District. On July 18, 2017, the Old Town Zoning District was adopted (Ordinance No. O-2017-05) by City Council and the Development Standards include a sub-area allowing high density housing by right without a public hearing, at a density up to 65 dwelling units per acre. Both the TOD and Old Town Zoning Districts are immediately adjacent to the Placentia Metrolink Station and allow Transit Oriented Development. The City continues to work with developers on Transit Oriented Development opportunities connected with the forthcoming Placentia Metrolink Station. Incentives include the utilization of City owned property as well as reduced parking requirements and densities up to 95 dwelling units per acre for the TOD Zone and up to 65 dwelling units per acre for the Old Town Zone, both of which surround the proposed facility.

HE-1.19: Encourage and Facilitate Lot Consolidation	Encourage and Facilitate Lot Consolidation	1-Jun-10	Completed and Ongoing. The City is not in a financial position to incentivize lot consolidation but will address potential regulatory incentives through the General Plan, Zoning Code, and newly adopted Transit Oriented Development (TOD) Zone and Old Town Zone, both of which were adopted in 2017 and both of which encourage lot consolidation. To date, 633 units have been entitled in the TOD District. One development consists of two lots being consolidated to accommodate the new TOD development and the other consists of seven lots consolidated to accommodate the new TOD development.
