Optional: Click here to import last year's data. This is best used when the workbook is new and empty. You will be prompted to pick an old workbook to import from. Project and program data will be copied exactly how it was entered in last year's form and must be updated. If a project is no longer has any reportable activity, you may delete the project by selecting a cell in the row and typing ctrl + d.

v 2_15_2022

Optional: This runs a macro which checks to ensure all required fields are filled out. The macro will create two files saved in the same directory this APR file is saved in. One file will be a copy of the APR with highlighted cells which require information. The other file will be list of the problematic cells, along with a description of the nature of the error.

Optional: Save before running. This copies data on Table A2, and creates another workbook with the table split across 4 tabs, each of which can fit onto a single page for easier printing. Running this macro will remove the comments on the column headers, which contain the instructions. Do not save the APR file after running in order to preserve comments once it is reopened.

Optional: This macro identifies dates entered that occurred outside of the reporting year. RHNA credit is only given for building permits issued during the reporting year.

Please save your file as Jurisdictionname2021 (no spaces). Example: the city of San Luis Obispo would save their file as SanLuisObispo2021

Housing Element Annual Progress Reports (APRs) forms and tables must be submitted to HCD and the Governor's Office of Planning and Research (OPR) on or before April 1 of each year for the prior calendar year; submit separate reports directly to both HCD and OPR pursuant to Government Code section 65400. There are two options for submitting APRs:

1. Online Annual Progress Reporting System - Please see the link to the online system to the left. This allows you to upload the completed APR form into directly into HCD's database limiting the risk of errors. If you would like to use the online system, email APR@hcd.ca.gov and HCD will send you the login information for your jurisdiction. *Please note: Using the online system only provides the information to HCD. The APR must still be submitted to OPR. Their email address is opr.apr@opr.ca.gov.*

2. Email - If you prefer to submit via email, you can complete the excel Annual Progress Report forms and submit to HCD at APR@hcd.ca.gov and to OPR at opr.apr@opr.ca.gov. Please send the Excel workbook, not a scanned or PDF copy of the tables.

Housing Programs Progress Report

Describe progress of all programs including local efforts to remove governmental constraints to the maintenance, improvement, and development of housing as identified in the housing element.

1	2	3	4
Name of Program	Objective	Timeframe in H.E	Status of Program Implementation
HE-1.1: Manufactured Housing	Use of Manufactured Housing	6/1/2010	Completed. Staff reviewed the use of manufactured housing and is encouraging manufactured housing use through contacting distributors for information.
HE-1.2: Locate Housing Near Transportation, Employment and Services	Proximity to transportation employment and services	Ongoing	Ongoing. This remains a high priority of the City as the construction of the Placentia Metrolink Station is scheduled to start late 2019. The City Council approved and adopted the Transit Oriented Development (TOD) Packing House District near the future Metrolink Station on April 18, 2017 which allows densities up to 95 du/acre. To date, 633 units have been entitled in the TOD District. On July 18, 2017, the Old Town Zoning District was adopted (Ordinance No. O-2017-05) by City Council and the Development Standards include a sub-area allowing high density housing by right without a public hearing, at a density up to 65 dwelling units per acre. Both the TOD and Old Town Zoning Districts are immediately adjacent to the Placentia Metrolink Station.
HE-1.3: Pursue County, State and Federal Funds	Increase use of County, State and Federal funds	Ongoing	Ongoing. The City is continually reviewing grant funding opportunities for housing developments and is actively pursuing County and State funds, including transportation circulation grants provided by the State Department of Transportation and SCAG. In partnership with SCAG, the City Council recently approved formation of an EIFD in the Old Town Zoning District that will result in \$8.2 million in funding for infrastructure related to transit oriented development. The City successfully applied for and received SB2 and LEAP Grant funding.

HE-1.4: Emergency Shelters and Transitional and Supportive Housing	Zoning for Emergency Shelters, transitional and supportive housing	12/1/2009	Completed. On May 7, 2016 the City Council approved Ordinance No. O-2013-08 to amend Title 23 (Zoning Ordinance) of the Placentia Municipal Code Pertaining to Emergency Shelters, Supportive and Transitional Housing Facilities, Single Room Occupancies and Provisions for Reasonable Accommodations for Persons with Disabilities, including Standards and Procedures Therefore.
HE-1.5: Infrastructure Program	Reduce constraints associated with infrastructure	Ongoing	Ongoing. The City annually reviews development costs and opportunities for removing constraints due to the high cost of infrastructure improvements. The City is near built-out with infrastructure mostly in place. Infrastructure near proposed Metrolink Station is a strong candidate for competitive grant funding. The City is continually reviewing grant funding opportunities for housing developments and is actively pursuing County and State funds, including transportation circulation grants provided by the State Department of Transportation and SCAG. In partnership with SCAG, the City Council recently approved formation of an EIFD in the Old Town Zoning District that will result in \$8.2 million in funding for infrastructure related to transit oriented development.
HE-1.6: Development Processing System Review	Minimize development review/processing time	Ongoing	Completed/Ongoing. The City annually reviews its development processing procedures and has adopted several streamlined procedures in the last three years. Ordinance No. O-2017-05 adopted by City Council in July 2017 codifies Old Town Development Standards including a sub-area allowing high density housing by right without a public hearing, reducing development processing timeframes, allowing housing at a density up to 65 dwelling units per acre.
HE-1.7: Vacant and Underutilized Land Inventory	Inventory of vacant and underutilized land	Annual	Ongoing. The City provides the inventory of vacant and underutilized land upon request and routinely discusses these parcels with developers. In FY 17-18, the City has budgeted consulting services with an private economic development firm to assist with identifying up-to-date inventory of vacant and underutilized land. The City is in the process of selling these vacant lands to qualified developers.
HE-1.8: Adequate Sites for Housing Development	Rezone a minimum of 1.27 acres to permit residential development at a minimum density of 30 du/ac	12/1/2009	Completed. Ordinance No. O-2017-05 adopted by the City Council in July 2017 codifies the Old Town District Development Standards which includes a sub-area allowing high density residential housing by right without a discretionary review nor public hearing, at a density up to 65 dwelling units per acre for an area exceeding 1.27 acres. The maximum density for this sub-area is up to 65 dwelling units/acre.
HE-1.9: Monitoring of Constructed Units Based on Income Level	Tracking performance by income level	Ongoing	Ongoing. Forms have been developed to gain the information at the time a building permit is issued.

HE-1.10: Encourage Development of Housing for Extremely Low-Income Households	11 Extremely low income units by 2014	6/1/2010	Completed. The issuance of permits for 49 very low income units in 2018 (the Veteran's Village development) contributes to achieving this goal. The City is reviewing other incentive programs to implement. The City has increased its contacts with non-profit developers regarding affordable housing opportunities. The elimination of redevelopment set aside funds severely restricts this effort.
HE-1.11: Amend the Density Bonus Ordinance	Review and Revise Density Bonus Ordinance	12/1/2009	Completed. The City's density bonus ordinance was reviewed and the City will follow changes in State law relating to such bonuses.
HE-1.12: Development of Senior Housing	Senior Housing Development	Ongoing	Ongoing. The City provides incentives and density bonuses for senior housing development.
HE-1.13: Development of Housing for Larger Families	Housing Units with larger bedroom counts	6/1/2010	Ongoing. The City has not implemented an incentive program. The elimination of redevelopment funds severely restricts this effort. The City is reviewing incentive programs to implement. The City has increased its contacts with non-profit developers regarding affordable housing opportunities.
HE-1.14: Housing for Persons with Special Needs	Housing Units for households with special needs	6/1/2010	Completed/Ongoing. The City has not implemented an incentive program at this time, however the issuance of permits for 49 very low income units in 2018 (the Veteran's Village development) contributes to this as qualified residents must be Veterans who are homeless or at risk of homelessness and the development will provide "wrap around" services to provide vocational training, mental health services, job placement, and more. The City has also identified potential parcels for additional special needs housing.
HE-1.15: Redevelopment Agency Housing Set-Aside Fund	20% of tax increment for Housing Set-Aside	Eliminated	Eliminated by the Governor and State Legislature. The elimination of redevelopment funds severely restricts our ability to create affordable housing.

HE-1.16: Transit-Oriented Development	Encourage Transit-Oriented Development	12/1/2009	Completed and ongoing. The City Council approved and adopted the Transit Oriented Development (TOD) Packing House District near the future Metrolink Station on April 18, 2017 which allows densities up to 95 du/acre. To date, 633 units have been entitled in the TOD District. On July 18, 2017, the Old Town Zoning District was adopted (Ordinance No. O-2017-05) by City Council and the Development Standards include a sub-area allowing high density housing by right without a public hearing, at a density up to 65 dwelling units per acre. Both the TOD and Old Town Zoning Districts are immediately adjacent to the Placentia Metrolink Station and allow Transit Oriented Development. The City continues to work with developers on Transit Oriented Development opportunities connected with the forthcoming Placentia Metrolink Station. Incentives include the utilization of City owned property as well as reduced parking requirements and densities up to 95 dwelling units per acre for the TOD Zone and up to 65 dwelling units per acre for the Old Town Zone, both of which surround the proposed facility.
HE-1.17: Single-Room Occupancy Units (SROs)	Amend Zoning Code to include SRO's	12/1/2009	Completed. On May 7, 2016 the City Council approved Ordinance No. O-2013-08 to amend Title 23 (Zoning Ordinance) of the Placentia Municipal Code Pertaining to Emergency Shelters, Supportive and Transitional Housing Facilities, Single Room Occupancies and Provisions for Reasonable Accommodations for Persons with Disabilities, including Standards and Procedures thereto.
HE-1.18: Review and Revise Residential Parking Requirements	Review/Revise residential parking requirements	12/1/2009	Partially completed. The City will review and propose amendments to its city-wide residential parking requirements during the forthcoming General Plan and Zoning Code updates. The City has already adopted significantly reduced parking requirements for the newly adopted Transit Oriented Development (TOD) Zone and Old Town District Zone, both of which were adopted in 2017.
HE-1.19: Encourage and Facilitate Lot Consolidation	Encourage and Facilitate Lot Consolidation	6/1/2010	Completed and Ongoing. The City will address potential regulatory incentives through the General Plan, Zoning Code, and newly adopted Transit Oriented Development (TOD) Zone and Old Town Zone, both of which were adopted in 2017 and both of which encourage lot consolidation. To date, 633 units have been entitled in the TOD District. One development consists of two lots being consolidated to accommodate the new TOD development and the other consists of seven lots consolidated to accommodate the new TOD development.
HE-2.1: Support of Regional Fair Housing Efforts	Fair Housing Activities	Ongoing	Ongoing. The City continues to support the Fair Housing Council of Orange County and to refer members of our community to the Council for counseling, mediation and low-cost advocacy for housing related needs.

HE-2.2: Section 8 Rental Assistance	167 Vouchers	Annual	Ongoing. The City continues to partner with the Orange County Housing Authority to receive vouchers for Placentia residents.
HE-2.3: Reasonable Accommodation Procedures	Adopt reasonable accommodation procedures	12/1/2009	Completed. On May 7, 2016 the City Council approved Ordinance No. O-2013-08 to amend Title 23 (Zoning Ordinance) of the Placentia Municipal Code Pertaining to Emergency Shelters, Supportive and Transitional Housing Facilities, Single Room Occupancies and Provisions for Reasonable Accommodations for Persons with Disabilities, including Standards and Procedures Therefore.
HE-2.4: Comprehensive Housing Resource Directory	Housing Resource Directory	6/1/2010	Completed. The City does not have the resources to develop its own directory but works with the Orange County Community Resources Department to provide information and direct residents to their online housing resource area for information.
HE-3.1: Community Based Neighborhood Rehabilitation	Conserve and Improve existing residential neighborhoods	Ongoing	Ongoing. The City created a Neighborhood Services Division in order to foster increased neighborhood services to include the coordination of CDBG funded rehabilitation. This Office is responsible for the rehabilitation program and is working with specific neighborhoods on community-centered programs.
HE-3.2: Neighborhood Identity	Creation of Neighborhood Identity	Ongoing	Ongoing. Through the City's Neighborhood Services Division, the City continues to work with neighborhoods to foster their sense of identification.
HE-3.3: Placentia Rehabilitation Grant Program	72 units provided rehabilitation grants	6/1/2014	Ongoing/Completed. The City is very successful in implementing the CDBG rehabilitation program. The City is on track to exceed the identified number of units rehabilitated.
HE-3.4: Acquisition and Rehabilitation	18 units of acquired and/or rehabbed affordable housing units	6/1/2014	Ongoing, but severely restricted due to the elimination of redevelopment. Due to demise of redevelopment, the City may not meet this goal.
HE-3.5: Energy Conservation	Programs for energy conservation/reduced utility costs	12/1/2009	Completed. The City has utilized federal Energy Efficiency & Conservation Block Grants to provide material and energy efficient products to residents in order to promote energy efficiency. Additionally, on December 6, 2016, the City Council adopted Ordinance No. O-2016-07 adopting the new 2016 California Building Codes, including the latest Green Building Code and the City Council has authorized incentivizing increased compliance with Title 24 through building permit fee reduction.
HE-3.6. Sustainable Building Practices	Encourage Green Building practices	12/1/2010	Completed. The City has reviewed Green Building best practices and adopted the 2019 Green Building Code and the 2019 California Energy Code among other updated Codes adopted in late 2020. As more information is made available, the City has made it available on its website and at the Development Services counter for public consumption, including publicizing streamlined requirements for permitted electric vehicle charging permits and solar panel permits.
